Winter will be a “Blast” at Camp Judson!

Need a dose of camp to get you through the school year?
Looking for ways to help your youth group grow closer to
God and each other?

Want to get away for some winter fun?

If you answered yes to any of these questions, then Winter
Blast is for you!

Students in grades 7 through 12 are invited to join us for the
first ever Winter Blast here at Camp Judson January 20-22,
2012.

Students are encouraged to bring their entire youth group
with them (adult leaders too!) for a weekend of growing closer
to God and growing together as a youth group.

The weekend begins on Friday night with mixer games, wor-
ship, and a late night snack, continues on Saturday with op-
portunities for tubing and sledding as well as other outdoor
and indoor activities, worship and teaching from the bible, and
concludes with lunch on Sunday.

The cost of the weekend is \$80 per person. Brochures and
registrations can be downloaded from www.campjudson.com
or can be received via mail by contacting the camp office.

Space for Winter Blast is limited, so register you and your
youth group soon! If there is enough demand, we will offer a
second weekend in early February.

Looking for Alumni to Help Plan Reunions Can You Help?

One of the purposes (reaffirmed in the board's long range planning process) of Camp Judson is to foster the growth and development of lifelong friendships. You may have noticed that we have been putting an emphasis recently on reconnecting with our alumni (staff, volunteers, board members, campers, and friends) in hopes of helping alumni to reconnect with one another.

As part of that effort, Camp Judson is looking for some Judson alumni to assist in planning reunions of Judson alumni. The first reunion will welcome alumni of all eras on Saturday, June 16, 2012 as a part of our annual Rally Day Open House, with subsequent reunions for specific eras or decades occurring in alternating years after that.

We want to plan a great reunion event for next summer with lots of alumni from all eras of the Camp Judson ministry and we need your help! If you are a Camp Judson alumnus and would like to assist in planning next summer's reunion, please contact the Camp Office by phone at 814 922-3834 e-mail judson@campjudson.com.

Ways You Can Pray for Judson

Here are some ways you can pray for the ministry of Camp Judson:

- Thank God for all the ways that we witnessed God's grace, protection, and provision.
- Thank God for all the campers who heard the Gospel message and pray that God will continue to work in their lives.
- Thank God for our wonderful staff and pray for them as they are back at work and school.
- For the retreat groups who will visit Camp Judson this fall, winter, and spring.
- For the launch of the 4:12 Student Leadership Academy and the students who will be impacted.
- For the planning of our Winter Blast Youth Retreat Weekend.
- For God's continued provision in meeting all of our needs, financial, volunteer, and otherwise.
- For our planning for the summer camp program for 2012.
- That Camp Judson would become an increasingly helpful resource for churches throughout Northwestern Pennsylvania.
- For God's wisdom and dreams as we plan for the future of the Camp Judson ministry through our long-range planning process.

Board Begins Long Range Planning Process

The Camp Judson board has begun a process of prayerfully discerning and developing a long range plan to guide us as we move into the future.

We began the process by examining three questions that center on our passions, our resource engine, and what we can do excellently. Out of this discussion we have created this statement about ourselves:

Rooted in our American Baptist heritage in Western Pennsylvania, Camp Judson believes that:

Our passions are: 1.) To create opportunities for people of all ages to experience the life changing love and power of Jesus and draw closer to Christ through camps, conferences and retreats, 2.) To foster the development of life long healthy relationships and a biblical community of people united around Jesus, 3.) To train and develop Christian leaders, 4.) And to provide space and opportunities for individuals, families, and communities to experience rest, renewal, and recreation in a Christian setting.

Our resource engine is driven by 1.) The life changing experiences that Camp Judson has provided to campers, staff, volunteers, families, and churches over our history, 2.) The way Camp Judson serves as a complement and extension to and a resource for the ministry of the local church, 3.) The potential that our camp and conference offerings have for moving people closer to God, and 4.) The vision that God puts before us for the future of the Camp Judson ministry.

We believe we can be excellent at 1.) Providing intensive experiences for personal, spiritual, and leadership growth, 2.) Providing opportunities for educating, equipping, and training individuals and churches, and 3.) Providing a first rate environment where individuals can experience God and grow in relationship to Christ.

Please continue to pray for us as we continue to prayerfully discern God's vision for the future of the Camp Judson ministry and work to develop a plan to bring this vision to life.
