## Summer Is Coming!

We are very excited to say that through mid April we are taking in registrations at a much higher rate than usual! We are looking forward to God doing fantastic things here at Judson this summer.

Camp experiences often have a powerful impact on the lives of children and teenagers. The information on the insert demonstrates the Power of Camp, and here are five other reasons to send your child or teen to camp this summer:

1. It's an awesome, fun time that kids love and remember for life!
2. It's a rare opportunity for your kids to have time to *reflect* and turn more of their life over to Jesus! —The majority of kids that attend camp make a significant decision in their life for Jesus while at camp.
3. A year's worth of character building in one week!—The 24-hour-a-day, living relationship with campers allows counselors to have as much time to minister as youth leaders or Sunday School teachers have in a year. The bonding that occurs through living, playing, worshiping, facing challenges, and learning together internalizes values taught and translates experience into character formation.
4. Time outdoors to draw close to God as He reveals Himself through creation!
5. Your child will be engaged in healthy activities: spiritually, emotionally and physically!

To register, visit [www.campjudson.com](http://www.campjudson.com) or call the office at (814) 922-3834 and ask for a brochure.

Please be in prayer for Judson that God would fill each camp session to capacity so that as many young people can be impacted by Jesus as possible. Also, please tell your friends, neighbors, and relatives to send their kids to Judson this summer!

## Lakeside Campground Opens May 15

Summer will be here before you know it, and if you are looking for a place to camp in a tent or in your RV, consider staying in the Lakeside Campgrounds at Camp Judson with its spectacular lake views this summer.

## Meet Our New Maintenance Supervisor

We want to welcome Jerry Jones as our new Maintenance Supervisor. Jerry grew up in Girard and graduated from Girard High School and Houghton College. He attends the Girard Alliance Church and lives on his farm in Beaver Center along with his dogs, cats, and chickens, and where he raises draft horses and hay.

Jerry enjoys horses, hunting, singing, and people. Jerry became connected with Judson in the last several years by hauling horses for us and selling us hay.

If you make it up to Judson this summer, please welcome Jerry to the Judson family!

## Volunteers Needed

If you are looking for opportunities to volunteer, Judson has need for you! Between now and May, we are in need of volunteers to help us get our facilities and property ready for the summer season, as well as individuals 16 and up to volunteer as counselors, maintenance CSP's, kitchen CSP's, nurses, and to work in the store. If you would like to volunteer, please contact the office at (814) 922-3834 or e-mail [judson@campjudson.com](mailto:judson@campjudson.com).

## God's Provision: A New Mower

Last fall, our long-serving zero turn Grass-hopper mower blew its engine. After exploring our options, we determined that the cost of repairing the mower exceeded what the mower was worth.

Not having the finances to purchase a new mower, the Judson board decided to commit our need for a mower to God in prayer and ask our supporters to pray along with us, and trust that God would provide.

Shortly after making this decision, God provided a donor who came forward and offered to purchase a brand-new Ferris zero turn mower. The mower has arrived at Judson just last week and has been put into service. Many thanks to the donors, Terry & Ruth Bowser, MDS Energy, and Gerald DeAngelis for allowing God to use them to meet this need!

## Our Need: A New (Used) Car

The Ford Taurus that Judson has used for the last several years for travelling to promote camp, running camp errands, and transporting staff and campers in the summer time, was recently sold because of some issues with the vehicle that made it not worth repairing.

Much like the zero turn mower mentioned above, we would ask you to pray that God will provide us with a vehicle that is in good working condition with four doors, can seat people in the back seat comfortably, and preferably gets good gas mileage. For more information, please contact the office at (814) 922-3834 or e-mail [judson@campjudson.com](mailto:judson@campjudson.com).

## Judson Day Offering 2012

This year's Judson Day Offering will be used to rehab, replace, and update our sports and activity equipment.

Some examples are: replacing the basketball, soccer, and volleyball nets and rehabbing the volleyball court, purchasing new recreation equipment such as finger missiles, purchasing the necessary materials to construct a carpetball table and a ga-ga pit, as well as replacing worn recreation equipment.

If you are interested in learning what finger missiles, carpetball, and ga-ga are, numerous videos can be found online on YouTube if you search for "camp" and any of the three items.

Extra funds will be used to develop new activities for our campers and guests.

## Ways You Can Pray for Judson

Here are some ways you can pray for the ministry of Camp Judson:

- Praise God for his continual provision and protection of the Camp Judson ministry.
- That God will meet our need for a new/used four door vehicle for Judson to use for camp business, promotion, and transporting staff and campers for medical appointments.
- That God will continue to draw children and teenagers to register for camp, that each session will be filled to capacity, and that God would move in powerful ways.
- That God will prepare our staff for service here this summer.
- For the directors of each summer camp session and program as they plan and prepare for camp.
- That God will provide us with a retreat rental group for the week of August 5-11, as well as weekend retreat groups that will come and experience God here in the non-summer months.
- That God will meet all of our maintenance and repair needs as we prepare for our peak season in the summer
- That God will continue to meet all of our financial needs.
- That Camp Judson would become an increasingly helpful resource for churches throughout Northwestern Pennsylvania.
- For God's wisdom, guidance, and dreams as we pursue God's vision for the growth and development of the Camp Judson ministry.

## Join Us for Judson Alumni Homecoming On Rally Day, June 16

All alumni and friends from all eras of Judson history are invited to spend their day at Judson and visit with friends old and new for Rally Day. This year the day is scheduled for Saturday, June 16, and in addition to our open house activities (including hayrides, swimming, canoeing, horseback riding, zipping, games, and vespers) an Judson alumni reunion is being planned as well for that day.

The day will begin with a 5k run/walk on our trails at 9 am (the cost of the run is \$15), followed by a gathering for worship, introducing the 2012 summer staff, and dedicating the summer to God's glory. A picnic lunch will be available in the dining hall (\$5 adults, 12 and under \$2.50) or bring your own picnic lunch to eat outside or in the pavilion. After lunch a wide variety of camp activities will be available to choose from, followed by Vespers at the Lake. Alumni and friends are invited to join us in continuing to reminisce at a catered Alumni Dinner in the dining hall at 5:30. The cost of the dinner is \$10, childcare (including dinner) will be available for children up to age 12 for \$5.

If you are planning to attend, please let us know as we would like to publish a list of alumni coming to the event to encourage others to come and see their old friends. To do so, call (814) 922-3834, e-mail [judson@campjudson.com](mailto:judson@campjudson.com), or complete and mail the registration form below and mail it to Judson.

If you would like to make a donation to defray the costs of this alumni gathering, you can send a check to the Judson office.

We hope you'll join us for this special day of reconnecting with old friends and making new ones!
