- 90% tried something new

OUR SUMMER CAMP PROGRAMS ARE BUILT TO BE:

RELATIONAL

We seek to model healthy friendships and provide campers with opportunities to grow their own healthy friendships.

PARTICIPATORY

Campers have opportunities to develop abilities, learn new skills, and grow in confidence through active participation in camp activities.

POSITIVE SAFETY AND WELL-BEING

The physical and emotional safety of campers and staff is a top priority where campers are welcomed and can experience the love of Jesus.

UNPLUGGED FROM HOME

By being away from and disconnected from their normal routine, campers have opportunities to grow in self-confidence, independence, and to learn to hear God's voice.

FAITH-BASED

Through daily Bible Studies, Vespers, and Devotions, campers are encouraged to encounter Jesus in the midst of God's creation.
